RE: J.C.C.
Salt Lake County, Utah
ACT/035/001

Dear Mr. Nowell:

The Division staff has reviewed J.C.C.'s Notice of Intention to Commence Mining operations and has several questions:

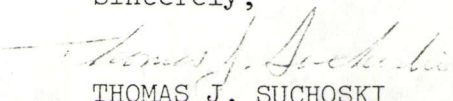

1. How many acres of land will be disturbed in a 12 month period?
2. How many tons of material will be moved in a 12 month period?

If J.C.C.'s operations will not be disturbing more than two acres or moving more than 500 tons of material in a 12 month period, then this operation qualifies as an exemption under the Utah Mined Land Reclamation Act.

The Division requests that if J.C.C.'s operation qualifies for the exemption, the enclosed form be filled out and be returned to the Division.

If you have any questions, please don't hesitate to contact the Division.

Sincerely,

THOMAS J. SUCHOSKI
RECLAMATION HYDROLOGIST
